Marion – We need a short (no more than 4 sentences) summary for aldicarb. You can pull something from the draft OPP update. This is for a short summary for the Administrator so it needs to be high-level. We need it by 10 am tomorrow. thanks

We don't have anything related to atrazine right now.

Could it be the triazine BEs? Copying Brian and Tracy.

Good morning Marietta, Catherine and Dan,

The OCSPP IO wants to include a write-up on the Vermont Section 18 in the Weekly Report to the Administrator this week. Can RD provide short (no more than 4 sentences) write-up by Wednesday morning? We have to submit the blurbs by 10:00.
